

Emmanuel Sam

RESEARCH INTERESTS

Algorithms, Computational Geometry, Machine Learning, Parameterized Complexity theory, Explainable AI, and Data Visualization

POSITIONS

Research Fellow <i>University of Bergen, Bergen, Norway</i>	07/2019 – 07/2023
Lecturer/ IT Solutions Developer <i>Wisconsin International University College, Ghana</i>	11/2012 – 06/2019
Research Trainee Part-time <i>University of Cape Coast and Academics Without Borders Canada (AWBC)</i>	01/2016 – 07/2017
Assistant Statistician <i>Research & Marketing Services International, Ghana</i>	12/2010 – 05/2011
Research Assistant <i>Wisconsin International University College, Ghana</i>	09/2009 – 09/2010

EDUCATION

PhD Computer Science <i>University of Bergen, Bergen, Norway</i>	21/11/2025 (Defense Date)
M.Sc. Information Technology for Management (Distinction) <i>Coventry University, UK & Ghana Communication Technology University</i>	05/2011 – 10/2012
BSc. Mathematics (Second Class Upper Honours) <i>Kwame Nkrumah University of Science and Technology, Ghana</i>	08/2004 – 05/2008

GRANTS & AWARDS

1. Travel Grant for ACAI 2018, European Association for Artificial Intelligence	08/2018
2. Best Student in Management Information Systems and Information Technology Related Programmes at graduate Level (2011/2012 Academic Year), Ghana Communication Technology University.	01/2013

TEACHING

Wisconsin International University College, Ghana	11/2012 – 06/2019
• Database Systems	2012 – 2019
• Intermediate Programming with C++	2013 – 2019
• Principles of Programming	2012 – 2018
• Object Oriented Programming with Visual Basic	2012 – 2017
• Data Structures and Algorithm Development with C++	2012 – 2017
University of Professional Studies, Accra (UPSA)	2013 – 2019
• BITM 301: Programming	2016 - 2018
• BITM 106: Programming fundamentals	2014 - 2019
• BGEC107: Introduction to Information Technology	2013 - 2014
Radford University College (RUC), Ghana	2013 – 2019
• Software Engineering	2018 – 2019
• Data Structures & Algorithms	2014 – 2019
• Database Systems	2013 - 2019
• Probability and Statistics I & II	2013 - 2019
• Numerical Methods	2013 - 2016
Ghana Communication Technology University & Staffordshire University, UK	2014 – 2016
• Introduction to Programming in C++	
• Advanced Java Technologies	
• Object-Oriented Application Engineering	
Wisconsin International University College, Ghana.	2008 – 2011
<i>Teaching Assistant for:</i>	
• Object Oriented Programming (Visual Basic.Net)	
• Probability and Statistics	
• Quantitative Methods I & II	

MEMBERSHIPS

• NORA - Norwegian AI Research Consortium	2022
• University of Bergen ICT Research School	2019
• IEEE Membership (# 94836352)	2018
• IEEE Computational Intelligence Society Membership	2018
